

***Dietrich's* Guidelines** **for Participation in the August 24 – 28, 2009 Workshop** **by Log and Timber Frame Professionals**

The following are the guidelines that will be followed when providing free training and licenses:

- ❑ A limited number of participant's will be accepted. You must have experience working in the log and/or timber frame industry and have plans to continue with your own company or working for an established company.
- ❑ A deposit of \$150. will hold a seat for the five days of training from August 24 – 28, 2009.
- ❑ Cancellation with a full refund can be made until August 10, 2009. There will not be a refund after August 11 or if the registered person does not show up for the workshop.
- ❑ Dietrich's software can be loaded onto several computers for your convenience. A hardlock and customer code provide access to the software. The cost of the hardlock is \$150., so the deposit to hold your space for the training will be applied to your hardlock.
- ❑ After the six month free trial period, if you purchase the software, \$150. will be taken off the cost of the software.
- ❑ If you don't purchase the software, the hardlock can be returned for a full return of your deposit.
- ❑ Immediately following the FULL five days of training (30 hours), you will have the use of the following Dietrich's software modules for six months. The **Professional Design Process Package** includes: D-CAM Professional; D-Roof Professional; D-Wall Professional; D-Floor and Ceiling; and D-CAD 2D. Plus, we will include the new Truss Module, Open GL Workspace and Project Data.
- ❑ The five days of training will also qualify you for free hotline support for six months immediately following the training. Hotline support is provided through the Dietrich's NA toll free number (877) 877-0086 and high speed internet.
- ❑ The Dietrich's online User Forum is accessible 24 hours a day.
- ❑ Free User Meetings are held online every month. Notice will be sent in advance.
